

GREEN IS OUR FAVORITE COLOR.

INSIDE THE HOME

At Westmoore, there's a whole-house approach helping you to live better and it's built right in. Saving 30% on your monthly energy costs is just as easy as moving into your new home at Westmoore.

BuiltSmart PROGRAM

EFFICIENCY

By using ENERGY STAR appliances designed to save you energy and ultimately money. From programmable thermostats to faucets, you'll use up to 50% less electricity and water.

COMFORT

Think warm winter nights and cool summer days thanks to high-efficiency HVAC systems, sealed air ducts, insulated exterior doors, Low-E windows, plus superior insulation and a weather-resistant house wrap.

QUALITY

Rest assured. These homes have good bones. Straighter walls. Stronger roofs. Tighter joints. Advanced construction methods and independent third-party inspections help ensure each home's quality and structural integrity.

ENVIRONMENT

It's easy being green at Westmoore. Each home is built for the lowest impact on natural resources using green practices like sourcing lumber from sustainable forests, building to create less waste and using environmentally-friendly materials.

OUTDOOR URBAN GARDENING

Outdoor living can only complement a green living lifestyle. Take your rooftop terrace or covered porch to new and greener heights by creating your own urban garden.

OUTSIDE THE HOME

METRO.

Coming soon to Westmoore, you'll only need one mode of transportation. The new Silver Line Metro is just steps away. There's no need for driving, no kiss 'n ride and no more stressful drive times. This is one commute with a silver lining.

GREEN SPACE & PARKS.

At Westmoore, we have plenty of outdoor areas where green space is by design. From urban parks and playgrounds to miles of trails and even an amphitheater

WALKABILITY.

When there's a need for corner carryout, all it takes is a short walk outside your door. From burgers to burritos and everything in between, you'll find just the right option to tempt your taste buds.
